

Foundation Curriculum Weekly Overview

Below are suggested activities related to the wider curriculum. You can do them in any order and then send a picture to your class teacher via dojo.

Year: 2

Week beginning: Monday, 22nd June 2020

| | Activity |
|--|--|
| Monday PSHE Our lockdown feelings | <p>Our lockdown feelings; Follow the online lesson https://classroom.thenational.academy/lessons/my-lockdown-feelings-73d5ff/activities/2/ Make a lockdown capsule/happiness jar. Find an empty shoe box/empty jar and place inside things you have done during lockdown, this could be your rainbow pictures, photos you have taken, work you have done etc. You might want to write a list and add to it over the lockdown period. This will be a great memory.</p>  |
| Tuesday Science Plants | <p>Activity 4: What do plants need? We know plants need water and sun to grow but do all plants need these things all the time? There are some fascinating plants in the world, like the Selaginella Lepidophylla, or Resurrection Plant, that can survive almost complete desiccation and still spring back to life when put in water. Let's have a class competition to see who can find out about the weirdest and most wonderful plant.</p> |
| Wednesday Geography Beside the seaside | <p>Activity 4: Let's explore St Ives. Today you are a tour guide for your teachers. Miss Harrison and Miss Watts really want to go to St Ives in the summer holidays together but aren't sure what they could do when they get there. You are going to research St Ives and write your teachers a leaflet of all the things they could do including key facts, tourist attractions, where to eat and stay and why they should go there.
