## Goodyers End Secret Storyteller

We need you! Are you a great storyteller?  
Do you wish you had an audience? Now is your time to shine!

As part of our school's focus on reading we would like to invite any willing volunteers to come into school for a short session to take part in an exciting story based event.

At the end of every Thursday at 2:45pm we would like each class to have one parent/carer come into school as a 'Secret Storyteller'.

The role of the secret storyteller will be to magically appear (ideally without your child's knowledge) and read to the class for no more than ten minutes. The storyteller can choose what they would like to read but should bear in mind that it needs to fit into that timeslot. For example, you may choose to read a poem, a short story or a chapter from a book that you enjoy and think would appeal to the class. Alternatively, you may wish to read an excerpt from the class's current novel.

If you would like to take part, please complete the form below and send it back to school with your child in a 'secret' sealed envelope.

Pupil Name ..... Class .....

Parent/Carer Name ..... Relationship to child .....

Text I would like to read ..... **OR**

*I would like to read an excerpt from the class novel*

Dates available (please tick all that apply):
