

Goodyers End Primary School

Newsflash - 4 May 2018

Email: admin2634@welearn365.com
Website: www.goodyersend.warwickshire.sch.uk

Well done to 11 of our pupils who came 1st, 2nd and 3rd and won certificates of achievement and/or a Trophy in the Nuneaton Festival of Arts Craft section. A big thank you to Mrs Gambrell for helping the pupils with their creations and submitting the entries on our behalf.

A well done also goes to Ethan, 5CB for his winning entry for the 'My School CD' cover competition. Ethan's entry will be the cover of our school CD when recorded on Wednesday 20 June - it's not too late to order a copy!

Please can we remind you to be extremely careful with your parking/driving before and after school. It gets extremely busy in the vicinity of the school and our priority has to be the safety of our pupils at all times.

The school entrance **MUST NOT** be used as a turning circle.

The TPDAL Schools Design Competition

You should have by now received a separate flyer with details about the playground design competition. All entries to be returned to school by Friday 18 May.

Get your thinking caps and creative minds working for the chance for your design to be marked on

Class Attendance Winners

Congratulations go to RM with 100% attendance and 4H with 98.9% attendance his week!

Like and follow us on Facebook for up to date news and events. Search for Goodyers End Primary School.

Why not follow us on twitter @goodyers_end to see what's been happening at school this week.

Afterschool Clubs

Please note there will be no Netball/Athletics on Friday 18 May.

19 Jul	Disco KS1, 3 - 4pm / KS2, 4:15 - 5:15pm

Does your Child Play Games Online? Please note the following message about online gaming and their related PEGI ratings.

It has been brought to our attention that some children throughout the school are playing these games. Please ensure you know the risks and are aware of your child's settings on the games that they are playing. Please talk to your children about responsible online behaviour.

Game	Age Rating	Online Safety Concerns
Minecraft	7	Survival mode contains a chat feature which means that children could be talking to anyone. Creative mode is recommended.
Roblox	7+	The social interaction in the game is one of the biggest issues with the game. Players need to interact and make friends; this is achieved by wandering around the online world and stopping to talk with people in an unmoderated chat. In-game purchases are possible though these are not required to play the game.
World of Warcraft	12	Online chat is a big part of the game, therefore children are exposed to all that is said: the good and the bad.
League of Legends	12	Some costumes are suggestive and characters have bodies that are unrealistic, which could lead to negative body image. A chat feature is essential and there is a message filter to censor any bad language. It is possible to turn this chat feature off.
Fortnite	12+	Playing against other players from around the world. In-game chats can be turned off. In-game purchases are possible though these are not required to play the game. Fortnite features violence.
Halo	16	Military science-fiction first-person shooter video game. There is violence, blood and mild swearing throughout as you play the game.
Counter-Strike	16	There is heavy violence and mild adult content. The violence is realistic within the game and there is a real-time chat, where people can say anything so exposure to bad language and abuse is possible.
Grand Theft Auto	18	Players choose different missions and earn points by destroying parked vehicles, dealing drugs and killing pedestrians and police officers. There is further adult content (including nudity) involved in the game as part of missions.
Call of Duty	18	Set primarily in World War 2 but later games are set in modern times or futuristic settings. Again, there is a chat option involving people of all ages, who are able to comment.
Assassin's Creed	18+	Missions include finding, stalking and killing human enemies. It is so rated because of the gross violence towards human characters and motiveless killing of multiple innocent characters. There is further adult content (including nudity) involved in the game as part of missions.
