The winner will be the class that make the most profit and each class will be able to use their profit to purchase something to take up to their new class with them.

Children are also invited to come in to school this day dressed up as their future-selves.

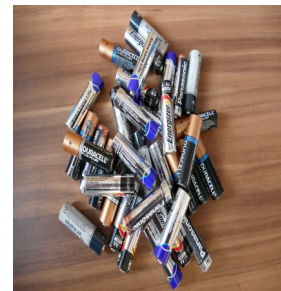

**Please save the date, bring along some change & come and support the children.**

# School Council

Thank you all so much for bringing in your used batteries!! School Council are having one more push for the 'BIG BATTERY HUNT' so we are still collecting used batteries to recycle. The last day to bring your used batteries is Thursday 13 July 2023. *Many thanks!*

**School councillors enjoyed their walk to the Co-op and planted some flowers in the GYE flowerbed.**
