Dear Parent/Carer

Some parents have requested information about useful revision guides that they can buy in order to support their child's learning at home. If CGP revision guides are ordered through the school, CGP will offer a discounted price for some books. Below is a list of the books that we feel would be beneficial to supporting your child's learning.

The revision guides will only be ordered when full payment has been received. The deadline for orders to be in school with the payment is **Friday 8 March**. They are not essential but some children have found them very beneficial in the past to consolidate their learning from school.

If you are unsure which books to purchase for your child please speak to the school office.

Yours faithfully

Mrs Johnson and Miss Horsfall
