School Keep Clear (zig-zag) markings – an important reminder for parents and carers

School Keep Clear markings are in place to protect children, families and the wider school community.

By keeping these areas completely clear of vehicles, visibility is improved for:

- Children and young people crossing the road
- Parents and carers walking to and from school
- Drivers navigating busy, congested environments

When drivers stop, wait or pull over on the School Keep Clear markings, sightlines are reduced and the risk of a collision increases.

The Highway Code states:

“You must not wait or park, or stop to set down and pick up passengers, on school entrance markings when upright signs indicate a prohibition of stopping.”

What This Means for All Drivers

No parking or waiting: Drivers must not pull over, wait, park, or briefly stop for any reason on the zig-zag markings. Even stopping briefly to let a child out or collect them is not allowed.

Always check the signs: School Keep Clear restrictions operate at the times shown on the upright signs and apply to all vehicles during those periods.

Simple actions, such as stopping just a little further away and walking the final distance, play a significant role in keeping the school entrance safer for everyone.

Civil Enforcement Officers patrol School Keep Clear zones and vehicles stopping in contravention may receive a £70 Penalty Charge Notice. However, the primary aim remains education, awareness and long-term behaviour change.

Tel: (024) 7636 4448

Email: admin2634@welearn365.com

Guidance on whether your child is well enough for school can be found here: <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/> Please ensure medical appointments are taken outside of school hours where possible. You may be asked to provide evidence of your appointments if they are within school hours.

Term-Time Holidays

We fully understand that circumstances sometimes make travel difficult outside school holidays. However, it remains essential to remind you that term time holidays conflict with school policy, Local Authority guidance, and Department for Education (DfE) expectations. All term dates can be found here so that you can plan your holidays outside of school time: <https://www.goodyersend.warwickshire.sch.uk/key-information/term-dates>.

Planned absences taken during school time will not be authorised except in exceptional circumstances. All Leave of Absence requests in term-time must be requested via the school office for Ms Hall (Headteacher) to respond to. Where absences are not requested in advance, they will automatically be classed as unauthorised absences. Please be advised that all unauthorised Leave of Absences are referred to the Warwickshire Attendance Service for consideration of a penalty notice. More information on this can be found on our website: <https://www.goodyersend.warwickshire.sch.uk/attachments/download.asp?file=539&type=pdf>

Every day in school counts and high attendance remains one of the strongest predictors of academic achievement, social development, and long-term success.

Thank you for your continued support in ensuring excellent attendance for your child.
