Schools Out For Summer!

As we come to the end of another wonderful academic year, I would like to thank all of our pupils, staff and families for their hard work, support and commitment throughout the year. It has been a year filled with learning, achievement, laughter and memorable experiences, and we are incredibly proud of everything our children have accomplished. This term brings with it both celebration and farewell. After many years of dedicated service to our school community, Mrs Smith will be retiring. Throughout their time with us, she have inspired and supported countless children, families and colleagues, leaving a lasting legacy that will be felt for many years to come. We thank her sincerely for her commitment and wish them a long, happy and well-deserved retirement.

We will also be saying goodbye to Mrs Johnson, Miss Hall and Mr Dorman who are moving on to exciting new opportunities as they continue to develop their careers. While we are sad to see them leave, we are grateful for the positive impact they have made on our school and wish them every success and happiness in their future roles.

I would also like to extend a heartfelt thank you to all of our parents and carers. Your support, encouragement and partnership throughout the year have been invaluable. By working together, we have been able to provide the very best opportunities for our children, and we greatly appreciate everything you do to support our school community.

Finally, we say farewell to our wonderful **Year 6 pupils** as they prepare to move on to secondary school. They have been excellent role models and have made a significant contribution to school life. We are incredibly proud of all they have achieved and the young people they have become. We wish them every success, happiness and confidence as they begin this exciting new chapter in their educational journey.

We wish all our families a safe, relaxing and enjoyable summer break, and we look forward to welcoming many of you back in September.

Aspirations Week

Our annual Aspirations Week was once again a huge success! The children thoroughly enjoyed meeting visitors from the local community who inspired them with insights into their careers and the many opportunities available to them. Throughout the week, pupils explored their own goals and developed their entrepreneurial skills by designing, creating and selling products for profit.

A huge thank you to everyone who came and supported our Trade Fair last week. Thanks to your generosity, we raised an incredible £893.50 in total! Congratulations to pupils in The Den who achieved the highest profit with their amazing cakes!

Each class now has the exciting responsibility of deciding how their profits should be spent.

Attendance

As this year draws to a close we would like to thank you for your continued support in prioritising excellent attendance and punctuality. Attending school every day, and on time, is crucial for children's development and lays the foundations for success later in life.

From September, Mrs Hill will be taking the lead on attendance with continued support from Miss Hughes. Please discuss any attendance concerns with them so that school can provide the right support for pupils and families. Any support that was in place for attendance this year will continue into the new academic year.

Please remember **we are unable to authorise holidays in term-time** and these will be referred into the Warwickshire Attendance Service for consideration of a penalty notice. We would strongly encourage you to arrange any holidays outside of school time to avoid fines and/or legal action. The school calendar for next year is on page 9 for your information.

School reopens on Wednesday 2nd September.
