Goodyers End Primary School - Issue 1

1 October 2026

Message from Headteacher

What a wonderful start we have had to the new school year! September has been a busy and exciting month, and it has been a real pleasure to welcome all of our children and families back to school.

A particularly warm welcome goes to our new Reception children, who have made a fantastic start to their school journey, as well as to the children who have joined us in other year groups across the school. We hope that you and your families are already beginning to feel very much part of our school community.

Thank you to everyone who attended our recent welcome meetings. We really value the partnership we have with parents and carers, and these opportunities to share information, answer questions and talk about the year ahead are an important part of working together to support our children.

As I have visited classrooms over the past few weeks, I have been incredibly impressed by the enthusiasm, effort and quality of work already taking place. The children have settled quickly into their routines and are embracing their learning with confidence and curiosity. There is already so much to celebrate, and we look forward to sharing more of their achievements with you throughout the year.

As we move into October, we are also looking forward to welcoming parents and carers into school for our forthcoming meetings. These provide an important opportunity to talk about how your child has settled, celebrate their successes and discuss the next steps in their learning.

Thank you, as always, for your continued support. We are looking forward to another happy, successful and exciting year together.

Headteacher
