16 September 2020

Dear Parent/Carer

Your child will be bringing home a set of study books today/tomorrow. These books are to support child's learning at home **if** your child is unable to attend school. They are only to be used as directed by the teacher. We have plans in place for when/if bubbles need to isolate or for children who are self-isolating. If this does occur you will receive communication from your child's teacher on which pages to complete and any other support we will be offer e.g. online lessons.

We sincerely hope we will not have to make use of these books, however it is inevitable that during this pandemic bubbles and/or families are at some point going to have to self-isolate so we want to be as best prepared as we can be.

Please take care of these books, they have been an expensive resource to purchase for the whole school. Should you lose the books you will need to replace them yourselves. They can be purchased on Amazon for approximately £5 per book.

You will also soon be receiving some further information on means of commutation for online lessons. Your children are being taught how to access these platforms in school in preparation for them to know what to do at home too. The platform we will be using is Microsoft Teams, which can be accessed on a phone or ideally a laptop.

Many thanks for your continued support.

Yours faithfully

Mrs A Rees  
Headteacher
