Dear Parents/Carers

It has been so lovely to see the children all back in school this week, they have settled back in so well and continued with the COVID arrangements as before Christmas.

The resilience that the children have shown over the last few weeks has been incredible and so to see them back with their teachers and their friends with big smiles on their faces really is a lovely sight. We are very proud of them all.

Thank you, parents and carers, for your continued support too - the comments, compliments and notes that we have received has really helped keep up staff morale. There has been a real community spirit amongst us all.

Keep staying safe!
Mrs Rees, Headteacher

Paperless School

As we are now almost paperless and everything has moved online hopefully you've been able to download our school app 'MyEd'. All emails we send to you will be stored in there so you don't need to scroll through hundreds of other emails to find the one you're looking for!

There are also links via MyEd direct to our Facebook and Twitter pages as well as to our school website and SIMS Pay so it really is a one stop shop for everything 'Goodyers End'.

Why not download it now if you haven't already!

Parent Payments

Dinner Money

Dinner money must be paid in advance each week so that payments do not fall behind.

Year 6 Manor Adventure Residential

Thanks to everyone for making their manor adventure payments on time. If you haven't made your payments yet please ensure they are brought up-to-date by Wednesday next week.

Guitar Tuition

There are still some outstanding guitar tuition fees despite the deadline passing. Please can the remaining payments be made asap.

When monies are not paid it is the school that has to find the money to pay for them and that means less money to spend on much needed school resources.

If you are unable to make payments via SIMS Pay for whatever reason, please call/ email the office who will be able to help.
